LOOK BOOK

THE FUTURE OF NATURAL STONE

Design is something that is rapidly changing in the industry. We wanted to create a Look Book to help with the designing process. With this book, you will become inspired by stone designs, mosaics, style and much more. Let's enhance and perfect your work in progress with tips, tricks, and visual designs. We want to help create your dream space; so now let's get inspired.

ABOUT MARMIRO®

TIMELESS TRADITION & BEAUTY

Marmiro Stones® natural stone products have been carefully crafted for over 50 years. Our family owned and operated factories are located next to our six quarries, allowing us to have full quality control during the manufacturing process.

Our team is passionate about bringing your ideas to life in stone; Offering complimentary designs to help you envision your project's needs both inside and outside the blueprint. We are proud of our reputation as an honest and loyal family owned company.

REFLECTIVE LINE

INDUSTRIAL GLAMOUR

Transform your space into a fabulous runway. Our new Reflective Line incorporates mirrored tiles and the gleam of metal accessories for an unexpected dose of glam. Install these reflective pieces on walls, or add a sheen metallic touch, for the perfect way to enhance your space.

Create a harmonious design by mixing metals pieces together. The small details and tones of these accessories will bring a show-stopping element to your finished look.

ANOMA

HANDCRAFTED PRECISION

Celebrate nature's true forms and take inspiration from the elements around you. With custom crafted designs, Anoma creates its refined natural stone products from India for the global elite. It's top designs are created using a variety of stone with stunning organic colors, carved out with state-of-the-art technology for intricate details and unique shapes.

Cut to precision, Anoma allows you to design a piece that is a reflection of you, both inside and outside of the home. Use as focal walls to separate rooms, or bring the three dimensional stone outside for an extension of your home.

PATTERNS

BOLD STATEMENT

These bold, geometric tiles bring patchwork patterns to life with vibrant, primary colors and rich designs that resemble those of Mediterranean style - a style you can achieve with these tiles even from halfway across the globe.

Mix and match tiles to create the ultimate finish, or use these embellished pieces in backsplashes, wall features, or as kitchen flooring to give that "WOW" factor.
