THE MARMIRO® DIFFERENCE

TEMPLATING

Accurate measurements for custom projects.

- Personalized digital designs
- Permanent archive for replacements
- Layouts for approval
- Installation maps

Examples:

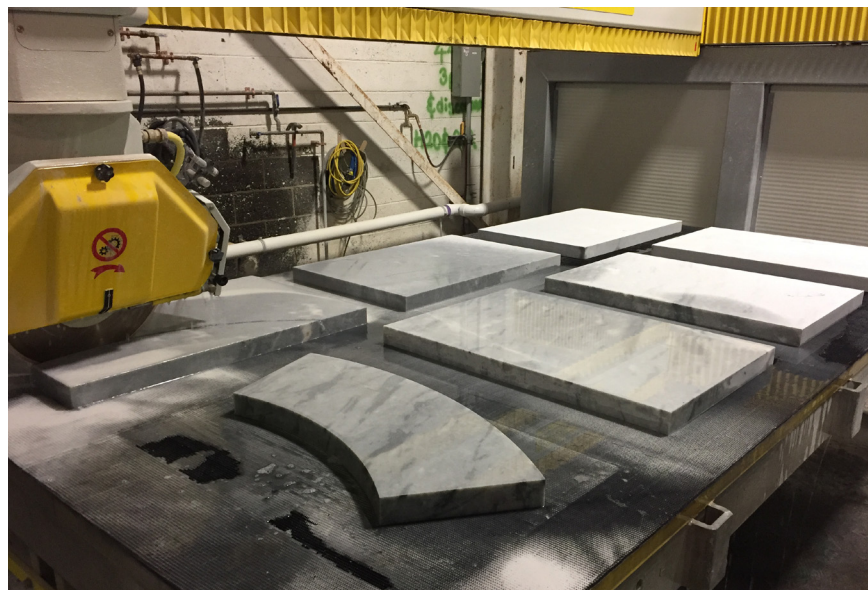

- Pools and spas
- Outdoor kitchens
- Fireplaces
- Countertops
- Stairs

PRODUCTION

Complete in-house fabrication process.

- Slabs
- Milling
- Profiling
- Lighting grooves
- Accessories
- Bookmatching
- Build-ups
- Straight and radius cutting
- Surfacing and edge finishing
- Etching and inlay work

FINISHED PRODUCT

Seamless installation, with a luxurious finish.

- Increased productivity
- High profitability
- Ease of installation
- Less dust and cutting
- Sleek aesthetic
- Leaves a lasting impression
- A crafted finish versus an on-site fabrication
